

TROFEO CITTÀ DI TRENTO A22

“UNDER 9”

25 – 26 MARCH 2023

REGULATIONS:

ICE RINK

- The ice rink will be divided into two fields the size of 1/3 of the rink for each area located in the two goal areas, separated by a central area accessible to teams, coaches, team leaders.
- The goals will be of reduced size (90cm x 130cm).
- There are no lines or indications of any kind (midfield, offside, faceoffs, etc.).

GAMES RULES

- Each match will last 18 minutes (without stopping the clock).
- Every 60 seconds the siren will sound and the teams will have to completely change the line without stopping the game.
- When the siren sounds, the puck must be left where it is and all the players must go to their respective benches for the change.
- Only when the changing line has completely moved out of the field can the incoming line change and resume play.
- Only after a goal the play will restart from the center field.
- In all other cases the referee will, at his discretion, throw the puck away from the players to make the play continue.
- Two games will be played simultaneously and with the same playing time on the rink.

TEAM COMPOSITION

- Each line will be made up of 4 moving players
 - The **minimum** roster admitted to participate in the tournament is 12 moving players plus a goalkeeper; if a team presents itself with more than 12 moving players, the rule of maximum 3 lines must still be respected: the players must be distributed on the 3 lines according to their age and level of play.
 - Each line will be equipped with a coloured band to facilitate changes and avoid irregular shifts (we remind the participating teams to bring their own coloured bands).
-

- The lines will be matched by colour at the start of the game with this logic:
 - ✓ RED colour: first line
 - ✓ YELLOW colour: second line
 - ✓ GREEN colour: third line
- Throughout the match, the colours of the lines must always be respected and matched between the two teams.
- The composition of the lines will be decided by the respective teams with the aim, however, of matching the players according to their age and level of play.
- The game level will be more challenging for the first line and less challenging for the third.
- The main aim is not to win, but to play games that are as balanced as possible, and to entertain everyone.
- Boys and girls from **2014** and younger are admitted.
- The minimum limit is the completion of 5 years of age by 23 March 2023.
- The teams must be on the ice at least 5 minutes before the start of the match: in the event of a delay of more than 5 minutes, the team may be penalized at the discretion of the organization.
